Experience

ESTIMATOR *June 2007–March 2010*

Bartlett Cocke General Contractors, Houston, Texas

- Evaluated & prepared estimates in support of Chief Estimator for CSI divisions 08 – 12 on large commercial and institutional projects with Budgets up to \$92 Million, many with drawings still in design development stages.
- Lead Estimator on numerous commercial, healthcare & industrial projects with budgets < \$3M.
- Preconstruction services for K–12 and Higher Education Facilities including Construction Management & LEED® Sustainability Surveys.
- Supervised Subcontractor Invitations to Bid, including state-mandated HUB Solicitation & Reporting.

JR. ESTIMATOR / PROJECT MANAGER *January–March 2007*

Salamone Builders, Inc., Aurora, Illinois

- Produced estimates and bid documents in Rough & Finish Carpentry, Interior Drywall, and Prefabricated Exterior Panel Projects across the Chicagoland area.
- Assumed role as Project Manager to complete three previously stagnant projects.
- Provided web and graphic design, copywriting, basic network administration, IT purchasing and troubleshooting to reduce expenses from third-party vendors.

PRODUCT TRAINER *December 2004–2006*

On Center Software, Inc., The Woodlands, TX

- Provided product knowledge, testing, & training on construction concepts and developmental versions of five computerized estimating products to Management, Sales, Tech Support & Marketing departments.
- Coordinated and conducted Internet-driven training sessions for groups of 1–30 people.
- Traveled Western U.S. for on-site training of small customer groups.
- Created and lead annual User's Conference presentations for hundreds of clients and attendees.

CONTRACTOR – FACILITIES OPERATION *January 2003–2004*

Municipal Operations & Consulting, Spring, TX

- Contracted for operations tasks in the dewatering removal process of sludge-based biohazards from municipal wastewater treatment plants.

Software & Professional Skills
